**Fort Benjamin Harrison selected as third Hyperfix Park & Ride location**  
Park & Ride service to begin tomorrow.

INDIANAPOLIS – IndyGo and the Indiana Department of Transportation (INDOT) have selected the Theodore Roosevelt Building at 9301 E. 59<sup>th</sup> St. at Fort Benjamin Harrison in Lawrence as the third and final Hyperfix Park & Ride location. This site replaces the Lawrence North High School location, which was terminated due to liability-related issues. Service at Fort Harrison begins tomorrow at 6:15 a.m., with shuttles continuing until 7 p.m.

“From the very start, we identified the need for three Park & Ride locations to alleviate Hyperfix commuter strain in the most heavily congested areas of town,” said Gil Holmes, president and CEO of IndyGo. “We’re very pleased to be partnering with Fort Benjamin Harrison and the city of Lawrence. Park & Ride has been very favorably received by Indianapolis-area commuters, and we believe this location will provide a cost-effective and hassle-free method of transportation for this section of the greater metropolitan area.”

During peak travel periods – 6:15 to 8 a.m. and 4:15 to 7 p.m. Monday through Friday – buses will run on 15-minute intervals to and from downtown. Between 9 a.m. and 3 p.m., buses will transport passengers 45-minute intervals. Parking at this Park & Ride location is available at E. 59<sup>th</sup> Street, west of Lee Road.

Fort Harrison riders will be extended free rides on June 16 and 17. All Hyperfix Park & Ride service will end on Aug. 15.
